READING PLAN AND STUDY GUIDE

SUMMER 2021

Good Fundamentals.

Solid Foundations.

Reading, Writing and Arithmetic.

The Basics.

Sometimes the basic things seem so simple that we take them for granted. But every discipline requires a firm grasp of the basics. Discipleship – the discipline of following Jesus – is no different. We must be securely grounded in the basics if we are to flourish as his disciple.

The way of a disciple is countercultural to our world and counterintuitive to our flesh. Even for those who already understand and practice them, it is sometimes helpful to review *the basics of the Christian Faith* to make sure we don't lose them in the complexities of life and doctrine.

*THE PURPOSE OF THIS STUDY IS TO
STRENGTHEN EVERY DISCIPLE IN THE
FUNDAMENTALS OF FOLLOWING JESUS.*

We want to help you firmly grasp the basics from the word of God. If you are a newer believer or have never been established in these truths, then diligently pursue new understanding and application. If you have been a believer for a long time, this will serve to test your own understanding and practice, and will equip you to disciple newer believers in the faith.

In this 12-week reading plan, you will find 5 passages per week related to the topic at hand, giving you opportunity to spend daily time with God. On the opposite page, you will find a more extensive study in one of those passages. In any reading of God's word, use good study methods, seeking to prayerfully "observe, interpret and apply." At the same time, understand and savor the fact that this is time with your Creator and Savior: he is with you and he has spoken.

We pray this study facilitates a season of strengthening and growth in your walk with Christ as we go "back to the basics."

THE PURPOSE OF THIS STUDY

*Strengthening
every disciple
in the
fundamentals
of following
Jesus.*

DAILY TIME WITH THE LORD

WEEK 1 -
GOD'S BIG
PLAN OF
LOVE

One of the most basic privileges of following Jesus is that we get to spend focused time with the One who made us and sustains us. There is nothing more important than to hear from God in his word and depend upon him in prayer!

YOU CAN ORDER YOUR TIME LIKE THIS...

PRAY - Ask God to reveal himself through his scriptures.

READ - Pick ONE of the following passages about God's loving plan to redeem a people for himself:

- John 3:16-21
- 1 John 3:1-21
- Deuteronomy 7:6-11
- Isaiah 63:7-14
- Romans 5:6-21

PRAY -

He is Worthy: Based on the passage you read, praise God for who he is and what he has done.

We are Needy: Based on the passage you read, ask God for whatever you need in order to apply his word.

MEMORIZE: John 3:16-18

STUDY AND DISCUSS THE DEPTHS OF GOD'S SAVING LOVE:

Read all of John 3:16-21 and answer the following questions:

1) v. 16. - What are some ways we use the word "world"? To what does the word "world" refer here?

2) v. 16-17 - How much did God love "the world"? What is the extent of his love? How does reading about *his* heart affect *your* heart?

3) v. 16-18 - What are some ways we use the word "believe"? What does it mean to "believe in him" in these verses? What is the result of that belief (cross-reference Rom. 8:1)?

4) v. 18-21 - What is the result of not believing? How can this result come from a loving God?

GRASPING THE BASICS

Have you believed this
loving God and his
work to save? What
difference does that

Why do the religious leaders want to test
Jesus? What does this reveal about their
hearts?

2) v. 37-38 - What does it mean to "love the
Lord your God"? Why does the scripture
instruct us to love God with all our "heart,
soul, and mind" (*also "might" in Deut. 6*)
instead of simply saying "love God"?

3) v. 38, 40 - Cross-reference Deut. 6:4-5.
Why does Jesus consider loving God "the first
and greatest commandment"? How does this
affect our understanding of obeying God's
commands?

4) v. 39-40 - Cross reference these verses
with Galatians 5:13-15. What is the
relationship between loving God and loving
others? In what sense does "love of neighbor"

STUDY AND DISCUSS THE IDENTITY OF BEING AN
HEIR WITH CHRIST THROUGH ADOPTION:

*Read all of Galatians 4:1-7 and answer the
following questions:*

1) v. 1-3 - Paul illustrates our identity in Christ using the Roman practices surrounding *inheritance*. Heirs could not receive their inheritance until the appointed time. Not only that, they are placed under "guardians," and have similar rights to a slave. According to this verse who are the guardians and managers of people before they are saved? What is meant by "elementary principles of the world" (see also Col. 2:8)? In what way do they "enslave us"?

AND THE DESIRES OF THE FLESH:

*Read all of Galatians 5:16-26 and answer
the following questions:*

1) v. 16-17 - What is the relationship between
"the desires of the Spirit" and "the desires of
the flesh"? What does the word "desire" tell us
about the nature of sin?

2) v. 18-21 - Compare this list to the sin
lists in Eph. 4:25-32, Eph. 5:3-5 and Col.

*Read all of John 15:1-8 and answer the
following questions:*

1) v. 1-2, 5 - To "abide" means "*to remain in CONSTANT awareness of, connection to, and dependence on the power and presence of Jesus.*" How does the analogy of the vine and branches help us understand this connection? What are the different parts of the analogy and to whom/what do they refer (vine, branches, vinedresser, etc.)?

2) v. 1, 6 - What is the Father seeking? What happens if he doesn't find it?

3) v. 4-5 - What produces fruit on the branches? Could a branch, disconnected from a vine, produce fruit? What does this mean about our ongoing relationship to Jesus?

4) v. 3, 7 - Cross-reference John 8:31. What is the relationship between the words of Christ and abiding in Christ? What does it practically look like to abide in his word and have his word abide in us?

5) v. 7-8 - Cross-reference John 14:12-14. What is the relationship between the word of God and prayer? What is the extent of things for which we can ask the Father?

the following questions:*

1) 3:18-19 - How does this passage describe the relationship between husband and wife? What are some misconceptions about what these words mean, and what do they actually mean? How does this design for marriage compare to our culture?

2) 3:20-21 - What are God's primary concerns for the parent/child relationship? What are some ways families can get these things "out of order"?

3) 3:22-4:1 - Bondservants were a type of slave: they were either born into slavery or indentured to pay off a debt. They were considered part of the household and worked in exchange for needed provisions. They also could save and buy their freedom. In this working environment, Paul brings the dignity of God's design for work. What does he say about the focus of the bondservant/master? How does this transform each role? *Read all of 1 Timothy 3:14-16 and answer
the following questions:*

1) 14-15 - Verse 14 tells us that Paul is giving his purpose statement for the whole letter to Timothy, and arguably for all the pastoral epistles (1-2 Timothy, Titus). What is his primary concern? According to the contents of the rest of this letter, what is meant by the word "behave"?

2) v. 15 - The term "household" refers to a family. What are the implications of calling the church "the household of God"? How is this concept fleshed out through other scriptures?

3) v. 15 - Paul clarifies that the household of God is "the church of the living God." What does this phrase add to our understanding of *what* the church is?

4) v. 15 - The word "pillar" refers to a column that holds something up high, putting it on display. "Buttress" refers to a construction element designed to support structural integrity. With this in mind, in what way does the church serve as a "pillar of the truth" and "buttress of truth"?

5) v. 16 - Paul further identifies "the truth" as "the mystery of godliness" which he then describes as a person using the lyrics of a hymn. Who is this person? In what sense is *HE* the mystery of godliness? How does this relate to the word "behave" in v. 15? What important elements of this mystery does this hymn include?

INTERACTIONS IN THE WORLD:

*Read all of Matthew 5:1-16 and answer the
following questions:*

1) v. 1-11 – These verses are often referred to as "The Beatitudes because of the formula "blessed be." The term "blessed" means "to be happy in the Lord's favor." In what ways are these descriptions of "blessedness" countercultural from the world and counterintuitive to our flesh?

2) v. 11-12 – Why might the world revile and persecute Jesus-followers? What type of response should this prompt in our hearts?

3) v. 13 – Jesus compares the "tastiness" of salt to his followers' presence in the world (cross-reference Col. 4:6). In what way do Christ-followers, living out the descriptions in v. 1-12, add "taste" to the world? How could we "lose our saltiness"?

4) v. 14-15 – What is our "light"? What is the effect of our light? How do our "good works" cause others to "give glory to your Father who is in heaven" (cross-reference 1 Peter 2:12)?

Read all of Colossians 4:2-6 and answer the following questions:

1) v. 2 - Paul uses the words "steadfast" and "watchful." What do these words tell us about the nature of prayer? Why is this type of prayer necessary?

2) v. 3 - Paul invites the Colossian believers to participate in his ministry through prayer. Cross-reference Acts 13:3 and Acts 14:27. What does an "open door for the gospel" mean? What role does prayer play in this? What does this tell us about our role in the global advancement of the gospel?

3) v. 4 - "To make it clear" involves removing confusion, but also speaking with boldness. Why might a missionary such as Paul need prayer for this?

4) v. 5-6 - Paul immediately turns from his own ministry to the Colossian believers' ministry of evangelism, specifically in their deeds (walk) and words (speak... answer). Why are both deeds and words necessary?

5) v. 4-5 - Paul can quickly pivot between their prayer for him and their own ministry of evangelism. What does this demonstrate about the relationship between local evangelism and global mission? How do we often get this relationship wrong?
